Preparing to Build the New Electric Railway.

Letter From Colonel Taylor to Mr. John Skelton Williams Here Looking Over the Ground-Death in Sussex County-Marriage and Announcements of Marriages,

> Petersburg, Va., April 25.-Mr. J. Skelton Williams, of Richmond, arrived in the city yesterday and was busy during the day looking after matters in connection with the building of the new street electric railway here.
>
> Mr. Williams said that as soon as the material came fully to hand, which is beginning to arrive a large force of hands will be put to work to build the road. When asked how large a force would be employed in the construction of the road, Mr. Williams replied, "All the men we can get." Mr. Williams added that the work would be begun at three different places, and would be pushed as rapidly as possible.

The floral offerings were varied, and of beautiful design. One of the most noticeable was that sent by the Woodmen of the World. The funeral cornege was late in starting because of the wait for the arrival of Mr. Lewis Brothers, a brother of the deceased, from Poughkeepsie, N. Y.

The interment was in Cedar Hill Cemetery. These were pall-bearers: V. A. Brinkley, A. H. Hargrave, H. M. Butler, F. E. Parker, J. B. Norfleet and W. C. Harrell.

oore Hands

Palms, and Painful Finger Ends. One Night Treatment

Soak the hands on retiring in a strong, hot, creamy lather of CUTICURA SOAP. Dry, and anoint freely with CUTICURA, the great skin cure and purest of emollients. Wear, during the night, old, loose kid gloves, with the finger ends cut off and air holes cut in the palms. For red, rough, chapped hands, dry, fissured, itching, feverish palms, with shapeless nails and painful finger ends, this treatment is simply wonderful.

SORE HANDS 8 YEARS

Pain So Intense Would Nearly Twist Fingers From Sockets. Hands Puffed Up Like a Toad.

Water Ran Through Bandages to Floor. Had to Walk the Floor Until Would Fall Asleep.

Fingers Peeled like an Onion. Doctors Could Not Cure.

CURED BY CUTICURA

Eight years ago I got sore hands, commencing with a burning sensation on my fingers and on top of the hand. When I rubbed them, you could see little white pimples. I felt like twisting my fingers out of their sockets. I had high fever, and cold chills ran over me, and so I kept it going until I was tired out. Nights, I had to walk the floor until I fell asleey.

My hands peeled like an onion, the finger nails got boose, and the water ran out, and wherever there was a little pimple, there the barning fire was—that happened at least ten times. I am running a blæksmith shop, horse-shoeing, and I would not shut up the shop for anybody, but it was hard. My hands pafied up worse than a toad. When I drove horse nails, the water from my hands ran through the bandage, on to the floor. My customers refused to look at my hands. I had a friend take me to the doctor; he gave a solution of something to bathe my hands. I went to another doctor, I think for a year. I found your advertisement in a Utica newspaper, and I got the CUTICURA remedies. As soon as I used them I began to gain, and after using a small quantity of them I was entirely cured. I would not take fifty dollars for a cake of CUTICURA SOAP if I could not get any more. I would not saffer any more as I did, for the whole couptry.
